

<b>KINGDOM Pty Ltd + BSWA</b>		<b>BSWA Microphones</b>
<b>PART #</b>	<b>DESCRIPTION</b>	<b>REMARKS</b>
<b>Microphone Capsule, Type 1</b>		
<b>MP 201</b>	1/2 inch prepolarized condenser microphone, IEC 651 Type 1 Nickel diaphragm, stainless steel housing	1) Individual Calibration Chart 2) Package Box MP2 3) 3-Year Warranty
<b>Microphone Capsule, Type 2</b>		
<b>MP205</b>	1/2 inch prepolarized condenser microphone, IEC 651 Type 2, Nickel diaphragm, stainless steel housing	1) Packed in Box in Batch 2) One Year Warranty
<b>MP 206</b>	1/2 inch prepolarized condenser microphone, IEC 651 Type 2, Plastic diaphragm, copper housing	1) Packed in Box in Batch 2) One Year Warranty
<b>MP 408</b>	1/4 inch prepolarized condenser microphone, IEC 651 Type 2	1) Packed in Box in Batch 2) One Year Warranty
<b>ICP Preamplifier</b>		
<b>MA 201</b>	1/2" ICP microphone preamplifier, 89mm in length	Packed in Box MA2
<b>MA 211</b>	1/2" ICP microphone preamplifier, 67mm in length	Packed in Box MA2
<b>MA 408</b>	1/4" ICP microphone preamplifier, SMB connetor	4 packed in 1 Box MA4
<b>ICP Microphone Kits</b>		
<b>MPA 201</b>	MP201+MA211. 1/2" microphone with ICP Preamp. IEC 651 Type 1; BNC	Packed in Box MA2
<b>MPA 205</b>	MP205+MA211. 1/2" microphone with ICP Preamp. IEC 651 Type 2; BNC	Packed in Box MA2
<b>MPA 206</b>	MP206+MA211. 1/2" microphone with ICP Preamp. IEC 651 Type 2; BNC	Packed in Box MA2
<b>MPA 201T</b>	as MPA 201 but TNC connector	Packed in Box MA2
<b>MPA 205T</b>	as MPA 205 but TNC connector	Packed in Box MA2
<b>MPA 206T</b>	as MPA 206, but TNC connector	Packed in Box MA2
<b>MPA 408</b>	1/4" microphone (MP408) with ICP Preamp ; Array Microphones	4 packed in 1 Box MA4
<b>Studio Microphones</b>		
<b>SM4001</b>	Studio Microphones Phantom Power, MP201	1) Packed in Batch; 2) One Year Warranty
<b>SM4005</b>	Studio Microphones Phantom Power, MP205	1) Packed in Batch; 2) One Year Warranty
<b>SM4006</b>	Studio Microphones Phantom Power, MP206	1) Packed in Batch; 2) One Year Warranty
<b>SM4000K</b>	Studio Microphones Phantom Power, MP201, 205, 206	1) Packed in Batch; 2) One Year Warranty
<b>SMA4000P</b>	Phantom power preamplifier	1) Packed in Batch; 2) One Year Warranty
<b>Data Acquisition Card</b>		
<b>MC 3022</b>	USB Soundcard with two ICP input channels and one signal output channel	1) USB Cable; 2) Driver CD; 3) Manual
<b>MC3088-1</b>	8 Channel Data Acquisition System, 8 ICP input channels(Simultaneous) and 8	
<b>MC3088-2</b>	8 Channel Data Acquisition System, 8 ICP input channels(Simultaneous) and 8	
<b>MC3010</b>	10 Channel Data Acquisition System 10 ICP input channels(Simultaneous) and 8 output channel	MC3010;RME Driver CD;Cable IEEE 1394a(FW400), 4.5m(15ft);Power cord;User's Guide RME FireFace800 ;Optical cable(TOSLINK),
<b>ICP Power</b>		
<b>MC 102</b>	2-channel ICP power supplier	1) 9 V Battery
<b>Calibrator</b>		
<b>CA 106</b>	1000Hz, 94dB calibrator, Type 2	1) 9 V Battery
<b>Omni Sound Source</b>		
<b>OS002</b>	Uses 12 matched loudspeakers in a dodecahedral configuration	
<b>Power Amplifier</b>		
<b>SWA100</b>	Can produce 100W per channel at 8Ω	220/110V AC main power supply
<b>Impedance Tube</b>		
<b>SW002</b>	For accurate measurement of sound absorption coefficients and material impedance	
<b>Tapping Machine</b>		
<b>TM002</b>	For making measurements to the latest versions of the international standards.	1)10 impacts per second tapping sequence 2)220/110V AC main power supply
